Students: Do You Need Volunteer Hours?

Please consider completing those hours right in our community by helping at the **Sweet Spot** concession booth at the **Georgetown Fairgrounds**.

It will be open weeknights 5:30 - 8:30 pm once the baseball season starts. It will also be open some weekends when there are tournaments. An adult volunteer and a student volunteer are needed per shift. You could pair up with a parent to staff the booth on one or more occasion(s). What a great way to interact with the public and this experience would look good on a resume when applying for a job!

The proceeds will go towards the building of three new ball diamonds at Trafalgar Sports Park. Volunteering here is a win-win-win situation: you get volunteer hours, people will be able to get snacks at the Fairgrounds, money gets raised for ball diamonds.
