

Dear Parents:

While your children are on the road you can keep track of how much fun they are having thanks to our online Tour Diary! The Tour Diary is updated by the group's tour director at the end of each day. The Tour Diary includes photographs as well as explanations about what the group did during the day.

It's easy to go online and check out the Tour Diary! Simply follow the instructions below:

Enter the following website address into your computer's web browser:

<http://www.explorica.ca/Tour-Diaries/Find-Tour-Diary.aspx>

The screen will present you with two options. Under 'option 1', enter the following information beside the 'Tour Centre ID': **McEachern-681**

Please note that it will take about a day after the tour has started for the Tour Diary to be up and running (it may be up earlier though).
